This presentation has been prepared by INTRALOT S.A. and its subsidiaries (the “Company” or “We”) solely for informational purposes and does not constitute, and should not be construed as, an offer to sell or issue securities or otherwise constitute an invitation or inducement to any person to purchase, underwrite, subscribe to or otherwise acquire securities in the Company. This presentation is intended to provide a general overview of the Company and its business and does not purport to deal with all aspects and details regarding the Company. For the purposes of this disclaimer, the presentation that follows shall mean and include the slides that follow, the oral presentation of the slides by the Company or any person on its behalf, any question-and-answer session that follows the oral presentation, hard copies of this document and any materials distributed in connection with the presentation. By attending the meeting at which the presentation is made, dialing into the teleconference during which the presentation is made or reading the presentation, you will be deemed to have agreed to all of the restrictions that apply with regard to the presentation and acknowledged that you understand the legal regulatory sanctions attached to the misuse, disclosure or improper circulation of the presentation. The Company has included non-IFRS financial measures in this presentation. These measurements may not be comparable to those of other companies. Reference to these non-IFRS financial measures should be considered in addition to IFRS financial measures but should not be considered a substitute for results that are presented in accordance with IFRS. The information contained in this presentation has not been subject to any independent audit or review. A significant portion of the information contained in this presentation, including all market data and trend information, is based on estimates or expectations of the Company, and there can be no assurance that these estimates or expectations are or will prove to be accurate. Our internal estimates have not been verified by an external expert, and we cannot guarantee that a third party using different methods to assemble, analyze or compute market information and data would obtain or generate the same results. We have not verified the accuracy of such information, data or predictions contained in this presentation that were taken or derived from industry publications, public documents of our competitors or other external sources. Further, our competitors may define our and their markets differently than we do. In addition, past performance of the Company is not indicative of future performance. The future performance of the Company will depend on numerous factors, which are subject to uncertainty, including factors which may be unknown on the date hereof. Each attendee or recipient acknowledges that neither it nor the Company intends that the Company act or be responsible as a fiduciary to such attendee or recipient, its management, stockholders, creditors or any other person. By accepting and providing this document, each attendee or recipient and the Company, respectively, expressly disclaims any fiduciary relationship and agrees that each attendee or recipient is responsible for making its own independent judgment with respect to the Company and any other matters regarding this document. Certain statements contained in this presentation that are not statements of historical fact, including, without limitation, any statements preceded by, followed by or including the words “targets,” “believes,” “expects,” “aims,” “intends,” “may,” “anticipates,” “would,” “could” or similar expressions or the negative thereof, constitute forward-looking statements, notwithstanding that such statements are not specifically identified. Examples of forward looking statements include, but are not limited to: (i) statements about future financial and operating results; (ii) statements of strategic objectives, business prospects, future financial condition, budgets, projected levels of production, projected costs and projected levels of revenues and profits of the Company or its management or boards of directors; (iii) statements of future economic performance; and (iv) statements of assumptions underlying such statements. Forward-looking statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions which are difficult to predict and outside of the control of the Company. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. We have based these assumptions on information currently available to us, if any one or more of these assumptions turn out to be incorrect, actual market results may differ from those predicted. While we do not know what impact any such differences may have on our business, if there are such differences, our future results of operations and financial condition, could be materially adversely affected. You should not place undue reliance on these forward-looking statements. Forward-looking statements speak only as of the date on which such statements are made. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events.

Note: Due to rounding, numbers presented throughout this and other documents may not add up precisely to the totals.

“The successful completion of the Capital Structure optimization in August 2021, resulting in the extension of the 2021 maturities and the significant deleverage by €163m has been a key milestone for INTRALOT, providing us the runway to address significant opportunities in the US and worldwide in the coming years in the Lottery, Sports Betting and Monitoring areas. Coupled with strong rebound in key markets after the easing of COVID-19 pandemic measures and cost-efficiencies achieved at HQ level, FY2021 results set the Company in a stable course to tap on new opportunities and create value for all its stakeholders.”

Revenue Overview

Licensed Operations - Revenue Evolution¹

in € million

Revenue Evolution Drivers:

- **Malta** with the variance attributable mainly to the COVID-19 impact in FY20.
- **Argentina** driven by local market growth and COVID-19 impact in the previous year; In local currency, current year results posted a 92.0% y-o-y increase.

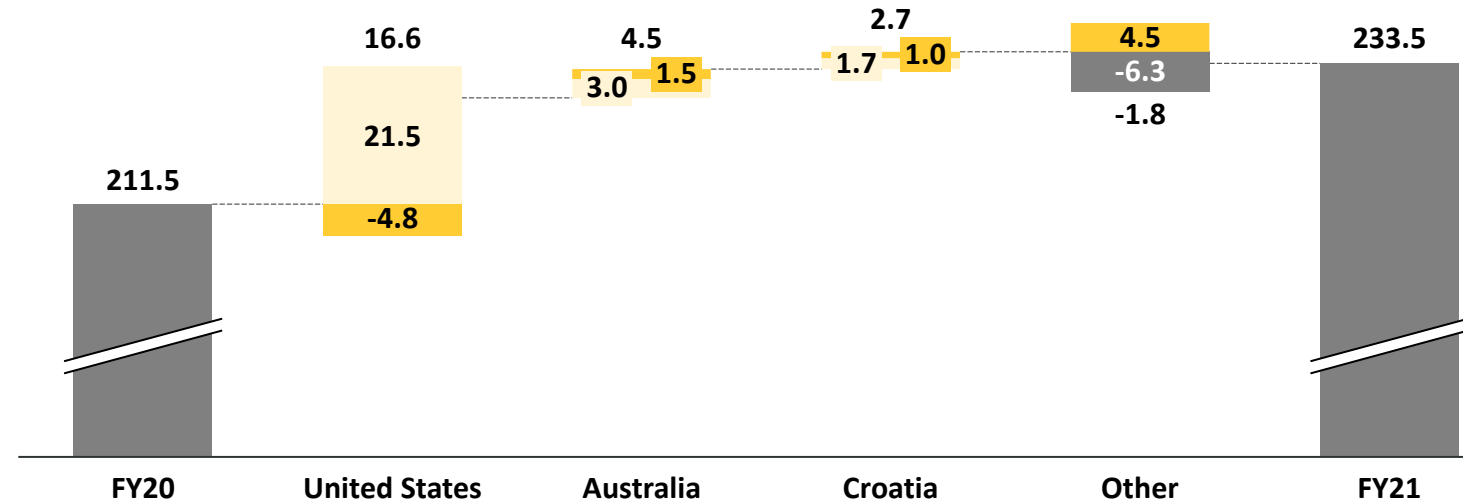

1. Part of the US revenue that concerns SB management, has been included under the category "Game Management". The rest of the US revenue is included under the "Technology" business segment.

Technology Contracts - Revenue Evolution¹

in € million

■ Q4
■ 12M

Revenue Evolution Drivers:

- **US operations** were driven by the strong growth of Service Revenue, offsetting the lower merchandise sales and the effect from the adverse USD movement.
- **Australia's** higher performance, driven mainly by the higher COVID-19 impact in FY20, while partially offset by a one-off merchandise sale in 1Q20.
- **Croatia** exhibited a new revenue stream following the implementation of the lottery solution for Hrvatska Lutrija.
- **Other jurisdictions** ended lower mainly due to the lower merchandise sales vs FY20.

1. Part of the US revenue that concerns SB management, has been included under the category "Game Management". The rest of the US revenue is included under the "Technology" business segment.

Game Management Contracts - Revenue Evolution¹

Revenue Evolution Drivers:

- **Turkey's** revenue surplus, driven by Bilyoner's improved top line performance, favored by the strong growth of the online market. Performance in Euro terms was partially mitigated by the headwinds in Turkish lira (30.5% Euro appreciation versus a year ago – in average terms).
- **Morocco's** improved performance, driven by the market growth and the COVID-19 impact in FY20.
- Improved contribution of **US Sports Betting** in Montana and Washington, D.C., launched in late FY20.

1. Part of the US revenue that concerns SB management, has been included under the category "Game Management". The rest of the US revenue is included under the "Technology" business segment.
